

PROGRAM IDEAS

Raising awareness that empowering Latinas is good for businesses

Are corporations and other large employers “ready” to receive and develop an increasingly Latino labor force?

Dreaming of becoming a CEO? Start early! Ensuring that Latino students acquire the skills to qualify for and succeed in corporate America

Latino myths and perceptions in the work place – Do they help you or hurt you?

Tough Love: What you REALLY need to know to make it in corporate America as a Latina

Wilka Toppins is a Speaker, Career Coach and Diversity Strategist. She is the author of the blog “Ask The Corporate Latina”

Book Wilka for your next event at info@thecorporatelatina.com or 713-621-8588
